We're Still Here

by Ron Pesta

As stated in the past two or three emails this newsletter is mainly for those members who do not have computers or have elected to not do email. What follows is a brief synopsis of what has been going on and a quick peek into the future of WRPC.

This past March 2nd was our last formal membership meeting due to the pandemic. We did hold our raffle as scheduled, but no picnic. The raffle was conducted at the Clubhouse by VP Al Roher and the majority of the BoD and it was recorded on cell phone video for legitimacy reasons.

Our member raffle was held at our August 3rd meeting that was held outside. Unfortunately, it was poorly attended... probably for a number of reasons most pointing at COVID-19.

The BoD have been meeting monthly since June taking care of the financial side of WRPC. With the Governor limiting gathering size and really no place to hold a membership meeting (just in case everyone decides to show up), we will continue status quo for the foreseeable future.

Our shooting events are basically back on schedule. The Directors of Sporterifle, Bullseye, IDPA, Club Defensive Handgun and the Military Shoot are handling the pandemic safety issues during these events. Yes, masks and social distancing are followed at all times except when shooting.

The floor in the Clubhouse (meeting room, bathrooms, kitchen and Indoor Range) has been replaced with epoxy paint. No more tiles chipping or being pulled up due to age and other factors. Now that wetter colder weather is upon us, please wipe your feet on the entrance mat to help prevent slipping. Our Indoor range ventilation system has been also rehabbed and works extremely well.

Every Club member has received their dues letter and about a third of our members have already paid their dues. Please don't wait for the last minute... get your dues in as soon as possible.

This brings all members up to date on Club matters. As usual at this time of year all eyes turn to elections.

(please see reverse side)

Nominations for Club officers and At-Large positions are normally due at our November member meeting. Due to these extraordinary times, lack of a large enough meeting space, and lack of response of any member stepping up to seek nominations; nominations will be accepted by the WRPC President and Vice President (Ron Pesta 315-719-2453/rpesta@rochester.rr.com and Al Roher 585-261-9378/aroher@rochester.rr.com).

If you are interested in running for any office or At-Large position, contact either Ron or Al.

Speaking of elections, this year with all that has occurred; will probably make or break us as gun owners. As in past election years, I have tried to keep you all informed of what you may or may not have info about. Vicky Porter has helped me get the word out to the membership via email when I cannot... A big THANKS to Vicki!

Well, its that time of year again and the year when elections mean the most.

The short and sweet -

GET OUT AND VOTE!!

In plain English - No bitching or complaining if your candidate(s) didn't get elected because you didn't get off your butt.
